PERSONAL TATTOO-USE PERMISSION

Tattoo Styles Studio grants the named buyer permission to have the identified artwork permanently tattooed on their body by a professional tattoo artist. The tattoo artist may make reasonable technical adjustments to line weight, scale, detail, placement, and body flow for safe and effective tattoo application.

This permission does not transfer copyright ownership. It does not allow resale, redistribution, merchandise, branding, commercial reproduction, or use of the artwork for another person's tattoo without written permission.
